

Certificate of Warranty

CONTRACTORS LIABILITY AND WARRANTY

Contractor guarantees all work to be free of defects in material and workmanship (bond failure, chipping, flaking or peeling) when subject to normal care and shall, upon notice within that period, remedy any breach of the Guarantee without charge by, repair or replacement, at the option of the Contractor, provided Owner has complied, in full, with the terms and payments in full of this contract.

Due to the inherent movement in concrete, soil and wooden structures and possible lack of structural integrity of those substrates, no guarantee, either expressed or implied, is granted concerning cracks in COATING, Mastic or bond failure adjacent to substrate cracking.

ATD CONCRETE COATINGS assumes no obligation or responsibility for deck drainage.

Defects or failures caused by obvious mistreatment, neglect, or improper maintenance shall be repaired at the Owner's expense. All guarantees connected with this Contract and the work performed and the materials provided shall be void, if during the life of said guarantee, any work is done on the installed coating by others.

Warranty period for installed system as agreed per project contract/proposal.
